Interview Tips

Source: US Department of Labor

Be Early

Fifteen minutes is good. Be sure to get good directions or to take a drive the night before to where your interview will take place.

Be On Your Best Behavior

The receptionist that you meet may be asked about you later. Be courteous to everyone you meet.

Fill Out the Application

If you are offered an application, fill it out. Many companies will judge your ability to follow directions, how well you can process handwritten records and your willingness to cooperate by your application. Don't write "see resume" on the application.
